Pre-Juv and Intermediate Team Practice Begins Tomorrow

Boot Camp is over and regular season practice for Pre-Juv and Intermediate teams begins tomorrow, Monday August 15. Check the **online calendar** (www.oxfordskateclub.com/calendar.htm) for practice times as they vary a few minutes back and forth until they settle into their regular times after Labor Day.

Remember to Update USFS Medical Registry and USFS Media^{*)} Waivers

Please remember to update and print the USFS Medical Registry and the USFS Media Waiver; this must be done every year at the beginning of the season. You'll find how-to instructions at the end of this newsletter. Please give print-outs of both documents to your team manager. We must complete updates for each skater before we can register the teams for any competition, so please put it on the top of your to-do list.

^{*)} This is the USFS Media Waiver – not the same as the OSC Media Waiver that you already filled out earlier.

OSC goes Glee with the new Production Team

Are you ready for some drama? The new **Production Team** is forming now. Check out the flyer at the end of the newsletter or go to the Production Team page at www.oxfordskateclub.com/pro_team.htm for more details.

OSC Club Ice on Wednesdays

Wednesday Ice is back in a different guise. We have set aside 45 minutes of Club ice for our skaters on most of our Wednesday nights (excluded are the Wednesdays before competition so we can run team exhibitions or send-offs; check the calendar for those). All of our OSC team skaters (Production, Pre-Juv, and Intermediate) will have automatic access to this ice. Our home club freestyle skaters will be able to purchase in advance for \$100 (for the entire season) in addition to their home club membership fee.

Fall Fundraiser Events are Underway

We already have two fundraisers going: **Entertainment Book** and **Fall Mum Sale**. Dig in your email inbox (August 2 and August 12) for these emails. Can't find them? Go to OSC fundraiser page at www.oxfordskateclub.com/fundraisers.htm and read all about it there. And of course don't forget the monthly ongoing Scrip Gift Card fundraiser (details on the web as well.)

OSC Celebrates Season Begin with Luau Picnic

We will celebrate the start of the season with a Luau Picnic at Peffer Park. See the flyer at the end of the newsletter for details.

USFSA Medical Registry Instructions

1. Go to www.USFSA.org – if the ad “Come See the World’s Best...” pops up click at the bottom to go on to the USFS page.
2. Click on **Members Only** link (top and right). That gets you to the USFSA log-in page.
3. If you have already registered and been given a password in the past, you can log in using your Member Number and Password.
4. If you have not received a password from USFSA previously, click on the **Click Here** link right under the **Forgot Your Password** section at the top of the page. If your e-mail address is on file, they will e-mail you a password. If your e-mail address is not on file (i.e. new members) you will have to contact them via phone to get your password.
5. Click on **Event Registration and info** under the Event Registration tab near the upper left-hand corner.
6. Move the mouse on the **Event Manager** link, then click on **Medical Registry**, which is one of the submenus in the pop-up window.
7. Fill out the information required. Check the **I agree that I have reviewed....** box at the bottom of the page and then click on the **Save Medical Registry** button at the bottom of the page. You should get a yellow box indicating that the Medical Registry has been successfully updated.
8. PRINT A COPY OF THIS FORM AND GIVE IT TO YOUR TEAM MANAGER. (If you go to Print Preview and set the scale to 50%, the entire form should all fit on one side of a single page.)

USFSA Waiver Instructions

1. Do steps 1 to 6 from the *USFSA Medical Registry Instructions* above.
2. Move the mouse on the **Event Manager** link, then click on **Waivers** which is one of the submenus in the pop-up window.
3. You will need to read the information in each section and input your name and relationship to the skater, if the skater is a minor. When you have completed all 3 sections, click on the submit button at the bottom of the page.
4. PRINT A COPY OF THIS FORM AND GIVE IT TO YOUR TEAM MANAGER. Go to each of the 3 windows and scroll so that the title of each section is in the window. You can then print the page and it will show that you have signed all 3 sections. (If you go to Print Preview and set the scale to 80%, all three boxes and signatures should all fit on one side of a single page.) Pressing the print button in each window only prints the contents of that window and does not include the signature box.

When complete click on the Log Out box in the upper left corner.
