Applications for the December 14 Test Session

Applications forms for the December 14 USFS Test Session are now available. Forms are attached to this News Mail, and you can also download them from www.oxfordskateclub.com. Test session application **forms and fees are due December 1.**

Please note that *Dance* is only available through Pre-Bronze for this test session. Skaters, please consult your coaches to receive permission to test and signature on the form before submitting the form.

A special caution: Some synchro-teams may require minimum or maximum test levels. For example, members of the Beginner 1–3 teams cannot pass their Preliminary Moves-in-the-Field test before competing at a USFS event. If in doubt consult with your synchro-team coach about your intention to test to find out how your testing will impact the team.
