Skate Sale

I am very excited to announce our **Annual Skate Sale** is two weeks away. Please gather your gently used skating apparel to sell. Your profits will be cashed out at the end of the sale. 100% of your earnings go to you in cash. This is not an OSC fundraiser, but if you would like turn your proceeds in for crystal credits. You may do so; just let me know the day of the sale.

All items must be at rink between 7:30-8am on October 29, 2011 ready for sale. This includes safety pinned tags with your last name, price and size. Please NO STICKERS OR STRAIGHT PINS!!! If items are in a bag or otherwise can't be pinned on, please have tags taped securely to the item. These tags will be removed at time of sale and placed into an envelope with your name on it.

If you would like to make some items available with the proceeds going to Synchronized Skating Scholarship Fund that would be greatly appreciated, simply mark those items with "SSS" and price the tag.

All items **MUST BE** collected and taken home at 1:00 the day of the sale. You may make arrangements for someone other than yourself to collect items. PLEASE NOTE: Those items that are not claimed will become property of the SSS fund for next year sale.

Please print the Skate Sale Flyer on the next page and pass it out to anyone that may be interested. Volunteers are needed to assist with the sale.

1st shift is 8:00 am – 10:30 am

2nd shift is 10:30 am – 1:00 pm.

If you are interested contact Kacey King to schedule your time.

Thanks
