News Mail from OSC

This issue of *News Mail from OSC* has information about new fundraising opportunities with the **Kroger Gift Cards** and the **2009 OSC Holiday Show**.

New and Improved Kroger Gift Cards

Our Kroger Card rewards program is now changing! We now are crediting your skaters account with 1/2 the profits from the Kroger reloadable gift card.

To take advantage of this new fundraising opportunity pick up a **NEW** Kroger Rewards Card from **Cathy Leonard** and start earning credits back to your skater's personal Crystal Credit account! It is simple! You pick up a reloadable gift card from Cathy, put any amount onto it (up to \$250) in any Kroger store and then shop with it like you would with a gift card. 4% of the total dollar amount loaded on the card comes back to the Club, your skater will receive 50% of your card's total earnings!

Cathy Leonard has taken on this task and has the cards. She is at the rink on Tuesday evenings (6:40-8:10) Please call or e-mail to make arrangements for pick up of cards.

If you have an older card through OSC and are still using it, please contact Cathy with the card number so that your earnings can be properly credited to your skater's account!

Tip to stretch your fundraising dollars

In addition to simply shopping at Kroger's, one way to quickly get credits back is to buy Kings Island tickets through Kroger's instead of online or at the gate if you plan to go! Those dollars will add up quickly and Kroger's offers discounted ticket prices!

Please also keep in mind that you **MUST** use these cards at least once every 3 months or they become permanently inactive!

Ads for the Holiday Show Program Book

This year Oxford Skating Club is once again hosting the annual Holiday Ice Show on Friday, December 11. OSC is publishing a program book for the Holiday Ice Show and is offering an exciting opportunity to earn crystal credits for the sale of business ads in the program book. **You will earn 50% on every business ad you sell in crystal credits toward your skating account.** There will be personal ads for sale to family and friends, but no crystal credits will be given for these since they already are deeply discounted. Please note that you cannot use crystal credits to pay for your personal ad. All crystal credits are applied directly to your team statement and fees and will show up on your monthly statement.

You will want to get started right away contacting your local business owners about participating in this year's program book. All ads will be black and white,* and **must be submitted by Saturday, November 14**. These can be turned in at the rink to Amy McGoldrick between 8:00 – 11:00 a.m. Artwork can be provided in a variety of formats, hard copy or electronic format of JPG, GIF, TIF, or PDF on disk are all acceptable formats.

Do not email the artwork/graphics. Please be sure to complete the *Business Ads* or *Personal Ads form* (next 2 pages of this newsletter) and attach the artwork with a check made out to *Oxford Skating Club* that includes your skaters first and last name in the memo section. Turn in all of your ad copy or disk, form, and check payment together in an envelope to Amy McGoldrick to make sure you receive appropriate credit for your sale. You can also turn your ad into the OSC mailbox at Goggin with *OSC Holiday Ads* written on the outside of the envelope. Please email amy.mcgoldrick@rrd.com with "Program" in the subject line letting her know you have put yours in the OSC mail box.
