## INTERMEDIATE TEAM @ The Cyclones Hockey Games

The OSC Intermediate Team will be skating at two Cincinnati Cyclones Hockey games at the US Bank Arena this season. The dates are as follows:

**Saturday, November 11** - Cyclones vs. Wheeling Nailers

**Friday, January 12** - Cyclones vs. Toledo Storm

The games begin at 7:30pm.

Tickets are \$12 each, kids under 2 are free. All of our tickets are in one section, so club members will be able to sit together. If you are interested in tickets for either of these games, you can see any Intermediate team member. Or, you can contact Terri Barr directly at [barrtf@muohio.edu](mailto:barrtf@muohio.edu)) and she can facilitate ticket purchases for you.

The girls are looking forward to skating in front of a home crowd. So plan an evening with friends, come support the Cyclones, and cheer on the OSC Intermediate team! This is a great opportunity for them and the club!

## The OSC Synchronized Skating Scholarship (SSS) Fund Awards

The Synchronized Skating Scholarship (SSS) Fund made its first awards after two years of raising funds and establishing protocols. The SSS Fund Selection Committee has awarded a total of \$500 and is pleased to announce the 2006-07 SSS Fund Recipients: Karen Ruggaard and Tori Lowman. Congratulations to both skaters who are rewarded for the commitment to skating and helping others. They will be asked to help assist in building the fund for future awards.

One of the ongoing ways to help grow the fund is by recycling inkjet cartridges and cell phones which can be turned in to one of these girls and/or Mikey Higgins (Intermediate team) or Lori Higgins (Prejuv Team mgr) on any team night. OSC thanks Mikey for her initiative and dedication to this program for our skaters! And Lori, too! A collection day for ~ Used books, CDs, and DVDs ~ will be established sometime in November so you can clear out and make room for the new stuff from the Holidays.

**Congratulations again to Karen Ruggaard and Tori Lowman, our inaugural scholarship winners!**
