OXFORD ICE CRYSTALS PRE-JUVENILE SYNCHRONIZED SKATING TEAM

The Oxford Ice Crystals Pre-Juvenile Synchronized Skating Team represents Oxford Skating Club in Oxford, Ohio. A synchronized skating team at the Pre-Juvenile level competes with a maximum of 16 skaters. The majority of skaters must be 11 years old or younger. To be a member of this team, skaters should be working on their Pre-Preliminary Moves in the Field test or have passed USFS Basic Skills Freeski 1-2. Our mission is to promote sportsmanship and create opportunities to develop skaters to their fullest potential in a positive and supportive environment. The Pre-Juvenile Team is one of three Oxford Ice Crystals Teams. We enjoy working together to build a sense of team spirit through all levels of synchronized skating.
